

AEGIS - O

Oval side table

Aegis side tables are available in both square and oval form. Ideally positioned beside a sofa, they are the perfect height to place a table lamp or vase. The flexibility of size offering allows for them to be repositioned to serve individual guests where a coffee table is impractical or absent. Elegant galvanised wire detailing is sure to create a conversation piece. Available in Classic or Contemporary finishes.

Size	Code	mm		in		kg
