

Scarpa

Coffee table

A true statement piece, the Scarpa Coffee table is distinctive in both form and materiality, offering an unusual and exquisite choice of marble finishes. An angular orthogonal base, inspired by Scarpa's architecture, forms a unique support for a generous table top. Available as an optional accessory, the slim overlain tray elegantly completes the design with a sumptuous bronzed glass lining, smoothly gliding across the table top by way of soft felt pads.

Code	Centimetres		Inches		kg	Materials
Scarpa - C	120 x 70	h 44	47.2 x 27.6	h 17.3	96	Steel frame, marble top
